## Instructions of environmental, safety or local type

All competitors must have at least one fire extinguisher of at least 6 kg powder (preferred), 6 liters of foam or 5 kg carbon dioxide clearly visible in the pit area. The fire extinguisher must have been inspected within the 12 last months. This is in addition to any fire extinguisher systems within race vehicles.

It is mandatory to have an environmental mat, oil absorption fabric, placed underneath the vehicle in the paddock/pit to prevent oil on the paving/into the ground.

Residual chemicals, such as oil, fuel and other chemicals should be disposed at recycling stations at the track. **In the event of oil spill in the pit space a fine of 3000 SEK, will be issued to the team.** All other types of garbage must be sorted in fractions at the recycling stations at the track.

As electricity will be provided to all race teams, regardless of fuel (gasoline, diesel, kerosene etc...) the use of stand-alone and/or separate electric power generators is not allowed at Tierp Arena. (Depending on if you have booked 16A or 10A electricity in the pit you have received a special plastic stripe that should label your electric cable. The colored stripe should be attached at the end of the cable so it's possible to check without entering the trailer.)

Paddock silence (no competition engines running) must be respected between 21.00 and 08.00 every night. For FIA cars and Competition Eliminator the curfew is between 21.00 and 09.00.

Speed limit in the paddock is 10 km/h.

During the race weekend, no vehicles may be driven in the pits other than in directly race-related purposes. Your tow-vehicle must be marked with Your start number and class. No joy riding permitted. All drivers/riders of tow-vehicles and similar, must be over 15 years old. All drivers or riders of any gasoline or electric powered vehicle must have a valid driver's license. No skateboards, kick-bikes, Segways, go-carts, etcetera allowed.

It is not allowed to fly drones over Tierp Arena.

**Non-observance of any one of these rules may result in exclusion from the event.**

We also remind all competitors with a Swedish license to fill in crewmembers (for "medförsäkradanmälan") when filling out your entry form at [www.dragracing.eu](http://www.dragracing.eu). This is voluntary for non-Swedish teams but may be of help in case of an accident.

## Leaded gasoline

The use of or handling of leaded gasoline is not allowed at any circumstance as being prohibited by Swedish law.

## Pets and Animals

Pet animals such as dogs, cats or other animals are NOT allowed at Tierp Arena during the event.
